Druze Global Public Affairs Council

A DRUZE VOICE FOR NOW AND THE FUTURE

WWW.DGPAC.ORG

The Druze Global Public Affairs Council (DGPAC) is a registered 501(c)(4) social welfare organization dedicated to protecting the rights, security, and dignity of Druze communities worldwide. We operate at the intersection of advocacy, community support, and strategic outreach to ensure Druze voices are heard where critical decisions are made.

DGPAC documents threats, counters extremist ideologies, mobilizes global support, and works to safeguard the heritage, identity, and safety of vulnerable Druze populations.

Druze communities today face rising threats - from extremist ideologies, political marginalization, targeted violence, and systematic campaigns to silence their identity. DGPAC was founded to ensure these threats are exposed, confronted, and brought directly to policymakers, institutions, and international stakeholders before they escalate further. DGPAC documents threats, counters extremist ideologies, mobilizes global support, and works to safeguard the heritage, identity, and safety of vulnerable Druze populations.

Our work bridges the gap between the realities on the ground and the global decision-making spaces that shape the future of our people.

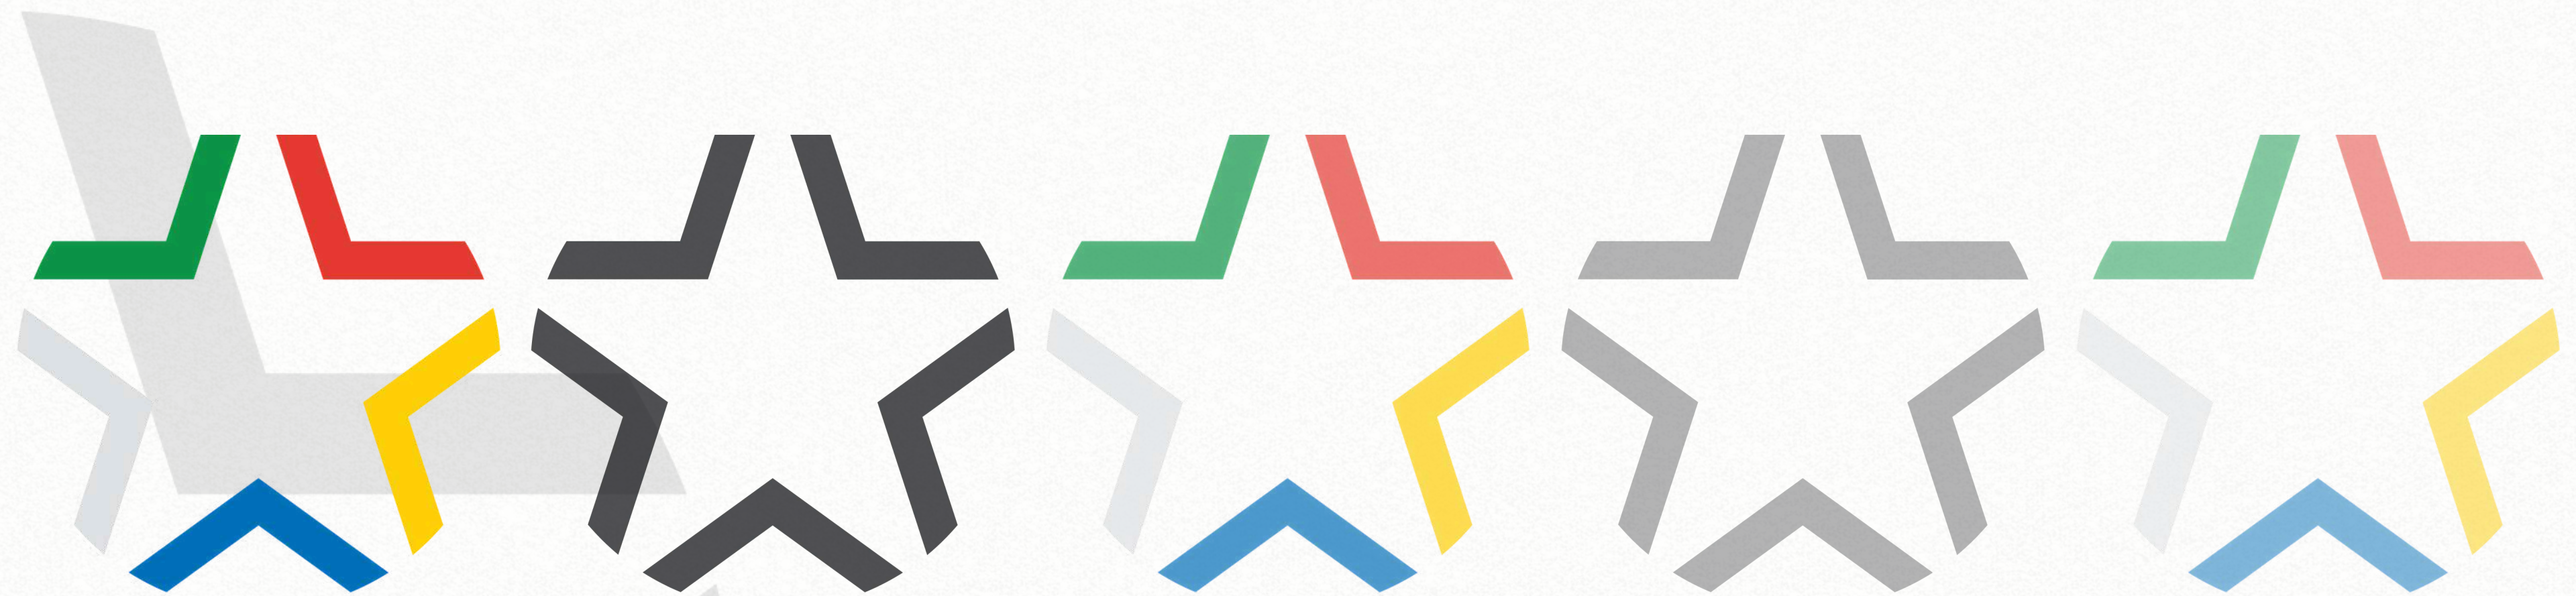

our mission

Our mission is to unite the global Druze community through advocacy, coordination, and empowerment.

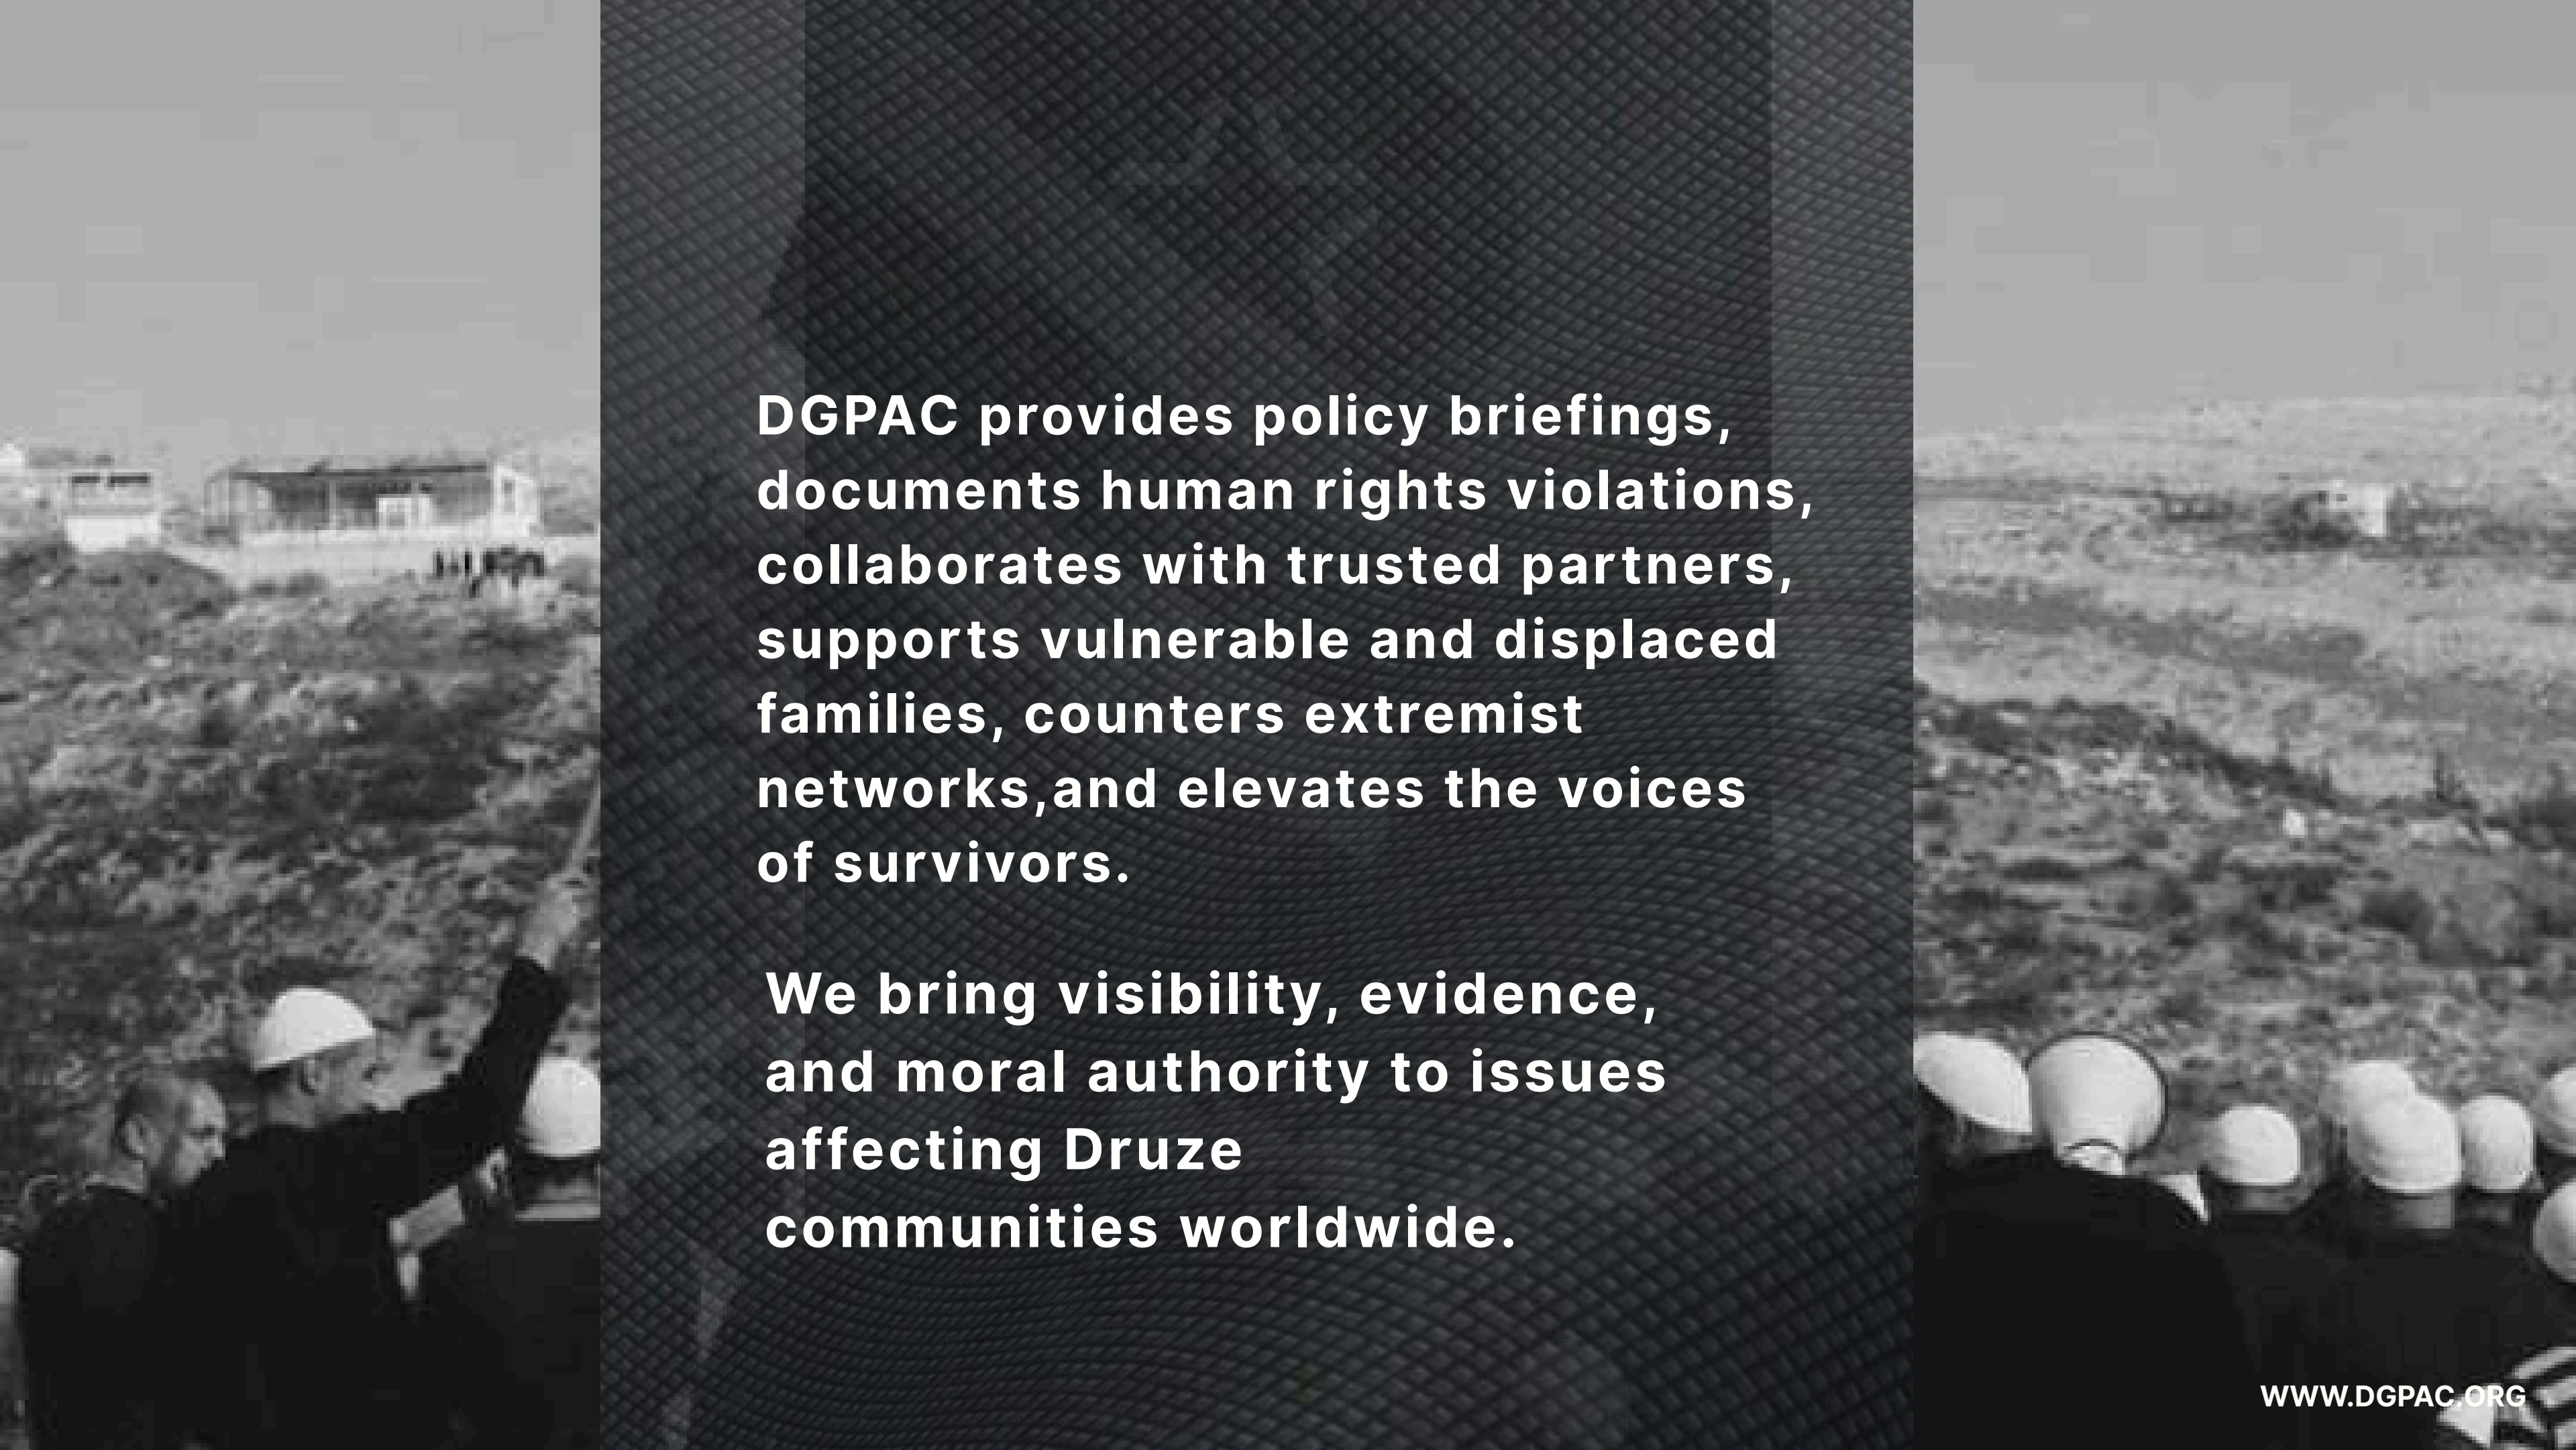

We safeguard our people's rights, protect our heritage, and amplify our voice where it matters most.

DGPAC defends against extremism, advocates for justice, and empowers Druze voices to be heard with strength, clarity, and dignity.

We envision a world where the Druze live freely in peace and security, with their culture respected, their heritage protected, and their contributions recognized.

By standing united, we strive to ensure the Druze community not only survives but thrives—today and for generations to come.

**DGPAC provides policy briefings,
documents human rights violations,
collaborates with trusted partners,
supports vulnerable and displaced
families, counters extremist
networks, and elevates the voices
of survivors.**

**We bring visibility, evidence,
and moral authority to issues
affecting Druze
communities worldwide.**

Focus Areas

1. Advocacy and Policy Engagement - We engage governments, policymakers, and international bodies to highlight threats to Druze safety and secure protective measures for at-risk communities

2. Humanitarian & Community Support - .We coordinate assistance, share verified information, and mobilize resources to support displaced or endangered Druze populations

3. Counter-Extremism & Protection of Civilians - We expose extremist ideologies, networks, and disinformation campaigns that endanger Druze and Christian communities, ensuring these threats cannot operate unchecked.

4. Heritage, Culture & Education - We preserve Druze identity through global education initiatives, cultural programming, and storytelling that strengthen community pride and visibility

5. Global Coordination & Network Building - We connect Druze communities and allies worldwide, building a unified, informed, and effective global presence capable of driving meaningful change

We represent Druze communities globally and work closely with Christian and minority partners who share our commitment to peace, coexistence, and the protection of civilians. Our cause is rooted in the belief that every community deserves safety, dignity, and the right to exist without fear.

Our Values

Integrity – Acting with honesty, transparency, and principle.

Unity – Strengthening global connections across the Druze community.

Courage – Speaking truth boldly in the face of injustice.

Dignity – Upholding the inherent worth of every individual.

Service – Working tirelessly to protect and uplift our people.

DGPAC stands firmly against extremism, injustice, and discrimination. We work to ensure that Druze—and all vulnerable minority partners—can live in security, freedom, and dignity.

Our mission is urgent, moral, and grounded in a commitment to truth and human rights.

GET INVOLVED

Join as a member and bring your expertise.

Volunteer on committees to make an impact.

Support with donations to fuel the mission.
